

1 out of 3 families in the Thumb are struggling financially.

People with limited incomes need products such as **toothpaste, deodorant, feminine products, diapers, shampoo, soaps, or laundry detergent.**

To recognize January as Social Determinants of Health Month, the Thumb Community Health Partnership is sponsoring a personal product drive. Items will be distributed through local charities.

Many people in the Thumb need your help!

Drop off donations through Valentine's Day during normal business hours at:

- **Huron County Health Department,**
1142 South Van Dyke Road, Bad Axe
- **Lapeer County Health Department,**
1800 Imlay City Road, Lapeer (use front door)
- **Sanilac County Health Department,**
171 N. Dawson Street, Sandusky
- **Tuscola County Health Department,**
1309 Cleaver Road, Suite B, Caro

Personal Product Drive

Drop off donations thru Feb 14th at your local health department!

According to the ALICE project (United Way), over 30,000 local households earn less than the cost of living in the Thumb. This includes 6500 families with children and over 12,500 senior citizen households! Children, veterans, senior citizens. People working two jobs to make ends meet. Individuals with challenges such as a disability, mental health condition, or substance use disorder. These families don't have enough money for the basics, and many make too much money to qualify for help. **#WeSupport**
